Re: Permit Acquisitions

Dear Mr. Glorioso,

I would like to express my sincerest gratitude for permit consulting work over the past several years. Our firm has encountered a number of difficult permitting issues on various projects and Windy City Consulting has been instrumental in these getting resolved. Your staff has always been courteous, prompt and thorough while working on our behalf--their diligence should also be commended.

I look forward to working on many projects in the future and will certainly recommend your firm to other design professionals.

Best Regards,

Bill Mitchell
