Mr. Joe Glorioso
Windy City Consulting
641 N. Western Avenue
Chicago, IL 60612

Dear Joe:

To the check which should already have arrived, I want to add my personal thanks for the professional job you and your staff did in securing us our stove hood building permit, and for your significant generosity in billing only a fraction of what your efforts, connections, skills, and generally helpful attitude were worth to me.

Sincerely,

Rev. Robert C. Ford
